

# SEAONC SAP/ATC-20 Training

## CALOES SAFETY ASSESSMENT PROGRAM (SAP)/ATC-20 POST EARTHQUAKE SAFETY ASSESSMENT OF BUILDINGS TRAINING

Date / Time: Saturday, May 21, 2016  
 Location: Lisser Hall, Mills College, Oakland, CA  
 Registration: 8:00 - 9:00 a.m.  
 Seminar: 9:00 - 4:00 p.m.

Breakfast, lunch and an afternoon snack will be served during registration and break.

The Safety Assessment Program (SAP) utilizes mutual aid resources and volunteers in the form of professional engineers, architects, and certified building inspectors to assist local governments by doing post-disaster building evaluations. The program is managed by the California Governor's Office of Emergency Services (CalOES) with cooperation from professional organizations, including SEAOC. CalOES will issue Disaster Service Worker (DSW) ID cards to all professionally licensed volunteers who have completed the training. Those who are not yet licensed will just receive a certificate and may contact CalOES upon licensure to receive the DSW ID card.

### REGISTRATION FORM

**IMPORTANT:** Registration will be confirmed via e-mail.  
 No cancellations after 12:00 noon, April 29, 2016  
 No-shows will be billed.  
 Registration deadline: 12:00 noon, May 13, 2016

Check here if you would like information on joining SEAONC

Non-members, this \$25 difference can be applied toward your Membership Dues should you wish to join SEAONC. Dues are pro-rated based on when you join SEAONC.

_____	CURRENT FULL TIME STUDENT	\$75
_____	CURRENT SEAONC/Reserve Corps (SAP) Volunteer	\$100
_____	SEAOC/SEAONC member	\$150
_____	Non-member	\$175
_____	Late Registration (for all registrations after May 13, 2016)	+\$25

TOTAL ENCLOSED:

--

## DESCRIPTION AND PURPOSE

The purpose of the CalOES Safety Assessment Program (SAP) is to help local government perform post earthquake, wind, flood, and blast safety evaluations as quickly as possible. The post earthquake evaluation is based on the ATC-20 document developed in 1987. SEAONC's Disaster Emergency Services Committee has sponsored trainings on a regular basis (typically every 18 months) since then. The training program has evolved and improved over time and currently enjoys a reputation for excellence. Past participants have commented especially on the value of the afternoon case studies, which are led by SEAONC members with post-earthquake safety evaluation experience.

Attendees who are licensed professionals (Civil, Structural, or Geotechnical Engineers; Architects; Geologists; Certified Building Inspectors) may apply for and obtain Disaster Service Worker identification cards issued by the CalOES. Attendees receive a workshop proceedings binder and ATC-20 documents.

## DIRECTIONS TO THE MILLS COLLEGE

### From Downtown Oakland

Take I-580 east toward Hayward/Stockton. Take the second MacArthur Blvd. exit (after High St.). Bear right onto MacArthur Blvd. The Mills gate is immediately ahead on your left.

### From Downtown San Francisco

Take I-80 east to the Bay Bridge and I-580 east toward Hayward/Stockton. Take the second MacArthur Blvd. exit (after High St.). Bear right onto MacArthur Blvd. The Mills gate is immediately ahead on your left.

### From Downtown Berkeley

Take Ashby Ave. to Tunnel Rd. and onto Highway 13 south. Take the San Francisco exit onto the I-580 west, stay in the exit lane, and immediately take the MacArthur/High St. exit. Turn left at the stop sign and proceed under the freeway overpass. Turn left at the light onto MacArthur Blvd. The Mills gate is immediately ahead on your left.

### Parking

Free parking will be available in the campus parking lots.

### Transit

AC Transit bus lines 57 and NL stop at the main entrance to Mills College at MacArthur Blvd. and Richards Rd. From there it's a five to ten minute walk along the tree-lined Richards Rd to Lisser Hall. Board the 57 at MacArthur BART station in Oakland towards Foothill Square at 7:70am or 7:37am to arrive in time for the seminar registration. The NL will take you to Mills College from the San Francisco Temporary Transbay Center or from the 19th St BART station in Oakland. Check the AC Transit website for the most up-to-date schedules. <http://www.actransit.org/>
